## SUBCHAPTER 2

### PROCEDURES ON CONTESTED CASES

§19-1-7 Hearings. The department may on its own motion or on the complaint or petition of any interested person or an agency of the state or county government, hold a hearing on a contested case as is required by law or rules of the department. For such purposes it may subpoena witnesses and require the production of evidence. Procedures to be followed by the department shall, unless specifically prescribed in these rules or by chapter 91, Hawaii Revised Statutes, be such as in the opinion of the department will best serve the purposes of such hearing. [Eff 6/1/81; comp OCT 16 2000] (Auth: HRS §91-2) (Imp: HRS §91-9)

§19-1-8 Commencement. (a) A hearing on a contested matter shall be commenced by the department on its own motion or upon the complaint or petition of any interested person or agency, of the state or county governments, when the processing of such complaint or petition necessitates such a hearing.

(b) No hearing on a contested case shall be held until due notice is given to all parties as provided in chapter 91, Hawaii Revised Statutes.

(c) A complaint or petition by an aggrieved person or proper party or by an interested agency, of the state or county governments, requesting such a hearing shall contain concise statements of: (1) the legal authority under which the proceeding, hearing or action is to be held or made, (2) the disagreement, denial, grievance or such matter which is being contested by the complainant or petitioner, (3) the basic facts and issues raised, and (4) the relief to which the party, complainant or petitioner deems itself entitled. The department may prepare departmental forms which may be substituted for any complaint or petition which may be required for any authorized proceedings pursuant to law or rules.

(d) The director shall conduct the hearings on a contested case and shall render the decision and shall issue such orders and take such actions as may be required; provided that the director may designate a representative who shall be the presiding officer and shall conduct such hearings and shall make recommendations in writing to the director, which recommendations shall include recommendations as to findings of fact and conclusions of law. The director shall then render the decisions as to findings of fact and conclusions of law and shall issue such orders and take such actions as may be further required.

(e) In all such hearings, the presiding officer shall have the power to give notice of the hearing, administer oaths, compel attendance of witnesses and the production of documentary evidence, examine witnesses, take depositions, certify to official acts, issue subpoenas, rule on offers of proof, receive relevant evidence and perform such other duties necessary for the proper conduct of such hearings.

(f) Any rule of these rules of practice and procedure may be suspended or waived by the department or by the presiding officer, before whom the matter is heard, to prevent undue hardship in any particular instance.

(g) The hearing officer may engage the services of a stenographer or someone similarly skilled, to take a verbatim record of the evidence presented at any hearing. If a verbatim record is taken, any party may request a certified transcript of the proceedings. The party making the request shall be responsible for the fees for the transcript. The department may at any time require any person acting in a representative capacity to show proof of authority and qualification to act in such capacity.

(e) No person who, because of his or her association with the department as an officer, employee or counsel, is disqualified by law, shall be permitted to appear before the department in behalf of, or to represent in any manner, any other person.

(d) Unless otherwise specifically provided by a particular rule or order of the department, an original and two copies of all papers shall be filed.

Notice shall be mailed to all persons who make a timely request for advance notice of such rulemaking hearing.

(b) A notice of the proposed adoption, amendment or repeal of a rule shall include:

- (1) A statement of the date, time, and place where the public hearing shall be held.
- (2) Reference to the authority under which the adoption, amendment, or repeal of a rule is proposed.
- (3) A statement of the substance of the proposed rulemaking action.

(Auth: HRS §91-2) (Imp: HRS §91-3)

§19-1-22 Further notice of hearing. For any rulemaking hearing where the department deems it warranted, an additional notice of the public hearing shall be published in a newspaper of general circulation in the State. [Eff 6/1/81; comp **OCT 16 2000** ]  
(Auth: HRS §91-2) (Imp: HRS §91-3)

§19-1-23 Conduct of Hearing. (a) Each rule-making hearing shall be presided over by the director or the director's representative. The hearing shall be conducted in such way as to afford to any interested person a reasonable opportunity to be heard on matters relevant to the issues involved and so as to obtain a clear and orderly record. The presiding officer shall have authority to take all actions necessary to the orderly conduct of the hearing.

(b) At the commencement of the hearing, the presiding officer shall summarize the notice of the hearing and outline briefly the procedure to be followed. Testimony on the matters specified in the notice of the hearing shall then be received in such order as the presiding officer shall prescribe.

(c) Submission of evidence. All interested persons shall be given reasonable opportunity to offer evidence with respect to the matters specified in the notice of hearing. Every witness shall, before proceeding to testify, state his or her name, address, and whom he or she represents at the hearing, and shall give such other information respecting his or her appearance as the presiding officer may request. The presiding officer shall confine the evidence to the questions before the hearing but shall not apply technical rules of evidence. Every witness shall be subject to questioning by the presiding officer, but cross-examination by private persons shall not be permitted except if the presiding officer expressly permits it.

(d) Oral and written presentation at the hearing. All interested persons or agencies of the State or political subdivisions of the State will be afforded an opportunity to submit data, views or arguments which are relevant to the issues. In addition, or in lieu thereof, persons or agencies may also file with the department within five calendar days following the close of the hearing a written protest, other comments or recommendations in support of or in opposition to the proposed rulemaking. Written protest, comments or recommendations or replies thereto will not be accepted unless an original and two copies are filed. The period for filing written protest, comments or recommendations may be extended by the presiding officer for good cause.

(e) Transcript of the evidence. Unless otherwise specifically ordered by the presiding officer, testimony given at a rulemaking hearing need not be reported

verbatim. All supporting written statements, maps, charts, tabulations or similar data offered in evidence at the hearing, and which are deemed by the presiding officer to be authentic and relevant, shall be received in evidence and made a part of the record. Unless the presiding officer finds that the furnishing of copies is impracticable, two copies of the exhibits shall be submitted.

(f) Continuance of hearing. Each such hearing shall be held at the time and place set in the notice of hearing, but such time may be continued by the presiding officer from day to day or adjourned to a later date or to a different place without notice other than the announcement thereof at the scheduled time and place.

[Eff 6/1/81; am 9/18/92; comp OCT 16 2000 ]  
(Auth: HRS §91-2) (Imp: HRS §91-3)

§19-1-24 Department action. At the close of the final public hearing, the presiding officer shall announce the decision, or the date when the decision shall be made. [Eff 6/1/81; comp OCT 16 2000 ]  
(Auth: HRS §91-2) (Imp: HRS §91-3)

§19-1-25 Emergency rulemaking. Notwithstanding the foregoing rules, if the department finds that an imminent peril to public health, safety, or morals requires adoption, amendment or repeal of a rule upon less than thirty days' notice of hearing, and states in writing its reason for such finding, it may proceed without prior notice or hearing or upon such abbreviated notice and hearing as it finds practicable to adopt an emergency rule to be effective for a period not longer than one hundred twenty days without renewal. [Eff 6/1/81; am and comp OCT 16 2000 ] (Auth: HRS §91-2)  
(Imp: HRS §91-3)

§19-1-26 Petitions for adoption, amendment or repeal of rules. (a) Scope. Any interested person or any agency of the state or county government may petition the department for the adoption, amendment, modification or repeal of any rule which is designed to implement, interpret, or prescribe law, policy, procedure or practice requirements of the department.

(b) Form and contents. Petitions for rulemaking action shall conform to the requirements of section 19-1-10. The petition shall set forth the text of the proposed rule or amendment desired or specify the rule the repeal of which is desired and state concisely the nature of the petitioner's interest in the subject matter and the reasons for seeking the adoption, amendment or repeal of the rule and shall include any facts, views, arguments and data deemed relevant by the petitioner. The department may also require the petitioner to serve other persons or governmental agencies known to be interested in the proposed rulemaking. No request for the adoption, amendment, modification or repeal of a rule which does not conform to the requirements set forth above shall be considered by the department.

(c) Procedure. A petition for a change of rules shall be given a docket number and shall become a matter of public record upon filing. The department shall within thirty days following the filing of the petition either deny the petition in writing or may initiate the rulemaking procedure. No public hearing, oral argument, or other form of proceedings, shall be held directly on any petition, but if the department determines that a petition discloses sufficient reasons in support of the relief requested to justify the institution of a public hearing, the procedures to be followed will be as set forth in sections 19-1-21 to 25. Where the department determines that a petition does not disclose sufficient reasons to justify the institution of a public rulemaking action, or where the petition for a change of rules fails in material respect to comply with the requirements of these rules, petitioner shall be so notified together with the grounds for such denial or the department may request additional data and supporting authorities before proceeding on the petition. Failure on the part of the petitioner to furnish data or supporting authorities within the time specified in the request shall be deemed to be a withdrawal of the petition. The provisions of this section shall not operate to prevent the department, on its own motion, from acting on any matter set forth in any petition. [Eff 6/1/81; comp OCT 16 2000<sup>1</sup>]

SUBCHAPTER 4

SPECIAL PROCEEDINGS

§19-1-27 Petition for declaratory rulings.

(a) Form and contents. On petition of an interested person, the department may issue a declaratory order as to the applicability of any statutory provision or of any rule or order of the department. Petitions for the issuance thereof shall state clearly and concisely the controversy or uncertainty, shall cite the statutory authority involved, shall include a detailed statement of all the facts and the reasons or grounds prompting the petition, together with full disclosure of petitioner's interest and shall conform to the requirements of section 19-1-10.

(b) Additional data and supporting authorities. The department, upon receipt of the petition, may require the petitioner to file additional data or a memorandum of legal authorities in support of the position taken by the petitioner.

(c) Dismissal. The department may summarily dismiss a petition for a declaratory ruling if the petitioner refuses to comply with the requirements of this section in a material respect.

(d) Consideration. Although in the usual course of disposition of a petition for a declaratory ruling no formal hearing will be granted to the petitioner or to a party in interest, the director may in his discretion order such proceeding set down for hearing. Any petitioner or party in interest, who desires a hearing on a petition for declaratory ruling, shall set forth in detail in its request the reasons why the matters alleged in the petition, together with supporting affidavits or other written evidence and briefs or memoranda of legal authorities, will not permit the fair and expeditious disposition of the petition, and, to the extent that such request for hearing is dependent upon factual assertion, shall accompany such request by affidavit establishing such facts. In the event a hearing is ordered by the director, sections 19-1-7 to 20 shall govern the proceedings.

(e) Declaratory ruling on department's own motion. Notwithstanding the other provisions of this chapter, the department may on its own motion or upon the complaint or petition of any interested person or an agency of the state or county government hold such

proceedings as it may deem necessary from time to time for the purpose of obtaining information necessary or helpful in the determination of its policies, the carrying out of its duties, or the formulation of its rules. For such purposes it may subpoena witnesses and require the production of evidence. Procedures to be followed by the department shall, unless specifically prescribed in this chapter or by chapter 91, Hawaii Revised Statutes, be such as in the opinion of the department will best serve the purposes of such proceedings. Also, any provision of this chapter may be suspended or waived by the department or presiding officer before whom the matter is heard to prevent undue hardship in any particular instance. [Eff 6/1/81; comp OCT 16 2000 (Auth: HRS §91-2) (Imp: HRS §91-8)]

#### SUBCHAPTER 5

#### APPLICATION FOR A BUSINESS OR DEVELOPMENT-RELATED PERMIT, LICENSE OR APPROVAL

§19-1-28 Granting or denying of application. (a) Unless otherwise provided by law, the department shall grant or deny an application for a business or development-related permit, license, or approval, within ninety days of receipt by the department of the properly completed application. Unless otherwise provided, if the department does not take action to grant or deny the application within the ninety-day deadline, the application shall be deemed approved. This deadline shall not apply to applications that are subject to state administered permit programs delegated, authorized, or approved under federal law. When an environmental impact statement is required pursuant to chapter 343 of the Hawaii Revised Statutes, or when a contested case hearing is requested pursuant to chapter 91 of the Hawaii Revised Statutes, the application shall not be deemed to be completed until the department receives satisfactory verification of the acceptance or nonacceptance of the final environmental impact statement, or the decision on the contested case hearing.

(b) The maximum period of time, including any extension, established pursuant to this section shall be extended in the event of a national disaster, state

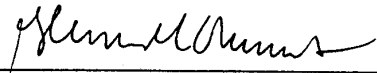

emergency, or union strike, which would prevent the applicant, the agency, or the department from fulfilling application or review requirements.
